

Too many of our Veterans are coming home from deployment and are not able to support themselves? Some need monetary help and are barely able to get by. Some have extensive medical costs that are overwhelming. Others just need a place to where they are not alone. One organization that is always there to help is Rolling Thunder®. Rolling Thunder, Inc®. is committed to helping American Veterans.

Rotary is the oldest service organization in the World. The Rotary motto is "Service Above Self". They are a group of professionals that jump in when they see a need in their community. The Five Rotary Clubs of Staten Island are joining forces with Rolling Thunder® to get our men and women veterans some help.

On October 15, 2016 from 12pm - 7pm we will be hosting our first annual Oktoberfest Event at the Marine Corps League at 46 Ave.! This event will be open to the public with 100% of the proceeds benefitting our Veterans in need.

Through this event, we would love to showcase local businesses, such as yours, to help us make this a success.

We are seeking food vendors to come and sell German inspired food. For \$100 you can bring your wares to the event to sell. The \$100 is a donation and any profit you make on that day is yours. This is a great way to publicize your business, while helping the community.

Please consider being a vendor. For more information, contact Christine DeHart at 718-273-1200

Thank you for your support
